

#Repurposing for play

Folding Tables

- Set-up the folding table in a variety of ways:
 - standing up on both legs
 - slanted up on one leg
- Add some loose parts
 - Bedsheets or blankets
 - Toy cars
 - Balls
 - ADS pipes

Create *play*!

- Which car will win the race?
- Where will the ball reappear?
- What else do you need in your fort?
- Take a picture of how you used your folding table and share it

Empowering the facilitation of pure play for every child.
